

Keep Net Neutrality.

If you repeal net neutrality, you will destroy the foundations of internet freedom so only so a few companies – *i.e. Verizon* – will profit.

DO NOT REPEAL NET NEUTRALITY  
DO NOT REPEAL NET NEUTRALITY  
DO NOT REPEAL NET NEUTRALITY  
DO NOT REPEAL NET NEUTRALITY  
DO NOT REPEAL NET NEUTRALITY  
DO NOT REPEAL NET NEUTRALITY  
DO NOT REPEAL NET NEUTRALITY

One more time for Mr. Ajit Pai, a *former Verizon Associate General Counsel*, DO NOT REPEAL NET NEUTRALITY.

Sincerely,

Johanna Carr
